Travel Information

Please complete this section regardless of method of arrival. Participants who will use transportation service provided by World Affairs Seminar to/from Milwaukee's or Chicago's airport must complete the Transportation Reservation Form.

Arrival Times

All participants must arrive on Saturday, June 21, 2025.

Participants who are being dropped off or are driving their own car need to make every effort to arrive on Saturday before 4 p.m. and depart on Friday, June 27, 2025 before 12:00 p.m.

Participants who are flying can choose to fly into Milwaukee Mitchell International Airport (approximately 22 miles from Carroll University) or Chicago O'Hare Airport (approximately 87 miles from Carroll University): World Affairs Seminar does offer airport transportation to and from both airport locations. There is a fee for this transportation, and the service must be reserved in advance by completing the **Airport Transportation Reservation** form on the WAS website.

When scheduling your **arrival** flight, please keep in mind that the seminar begins on Saturday, 6/21, with dinner in the evening. Bus transfers will depart from Chicago O'Hare and Milwaukee airports to Carroll University throughout the afternoon on Saturday, based on expected flight arrivals. World Affairs Seminar will do its best to group participants by arrival time to minimize airport wait times.

When scheduling your **departure** flight, please keep in mind that there are no program events on Friday, 6/27, and breakfast is the only meal that will be provided on that date. Bus transfers will depart Carroll University to Chicago O'Hare and Milwaukee airports throughout the morning on Friday, based on expected flight departures. World Affairs Seminar will do its best to group participants by departure time to minimize airport wait times.

Please email register@worldaffairsseminar.org or call us at 414-453-4984 with any travel questions or concerns BEFORE you book your flights.

I will arrive at the World Affairs Seminar by...

Rules & Expectations

Please read this page carefully before submitting your registration.

Seminar Expectations *

Participation in the World Affairs Seminar is a unique privilege. You are called "delegate" because you represent your school, family, community and country. As such you are expected to conduct yourself as an adult, serving as a role model to your peers, and thus showing respect for those who have supported you (service organizations, schools, businesses, parents, community and host parents). Integrity, respect for the person and property of others, and a commitment to intellectual and personal growth in a diverse population are values that are fundamental to participation in the World Affairs Seminar. As a participant in the Seminar, you are expected to have creditable academic standing and a genuine interest in international issues. You are expected to participate fully in all scheduled activities sharing your skills and knowledge while also listening to and learning from others.

I have read and understand these expectations.

Seminar Rules *

I understand that...

...To be eligible for the Seminar, I must have just completed my 8th grade or freshman, sophomore, junior or senior year in high school. (International delegates may be exempt from this policy; however, they cannot be over 19 years of age.) Anyone who does not fit this description will need special permission from the Executive Director to attend.

...Transportation to and from the Seminar is **NOT** included in the Seminar fee. If I drive a personal vehicle to the Seminar, I agree to store it in a University parking lot for the duration of the Seminar and I will turn my car keys over to a Seminar staff member. This vehicle will **NOT** be driven during the Seminar.

...I am not allowed to leave the campus at any time during the Seminar other than for a scheduled Seminar activity. I understand that any deviation from this rule will require staff and parental permission, and will be an emergency in nature. A parent or guardian are required to be present to sign you out of the Seminar at any time other than the final Friday morning.

...I am expected to attend all scheduled Seminar sessions, group discussions, and to cooperate with the Seminar staff and counselors by following established procedures and rules of the World Affairs Seminar program. During my week on campus, I may be filmed, videotaped or photographed by a World Affairs Seminar employee or a contract service professional. My admission to participate in the Seminar serves as permission for the use of my image.

...I will be given a name badge at check-in that must be worn at all Seminar-related events, including meals.

...Cell phones, laptops, tablets, and other personal electronic devices are not permitted for uses other than note-taking during Seminar sessions held in the Auditorium.

...Assigned residence halls and dorm rooms are off-limits to members of another gender. Non-Seminar participants are not permitted in my room at any time with the exception of check-in and check-out. Main lobbies and lower level common areas of Seminar residence halls may be used for socializing prior to nightly curfew.

...Smoking/tobacco products are not permitted any time during the Seminar week and the campus is a smoke-free environment.

...I am not allowed to use or have in my possession any alcohol or drugs at any time during the Seminar week. Violation of this rule will result in my immediate dismissal, with no refund. Prescription & over-the-counter medications are to be noted on my health form. Seminar nurses will collect and dispense all medications during the Seminar (prescription and non-prescription).

...I am responsible for safeguarding my own personal items and money.

...Any loss or damage I do to University or non-University property will be my personal financial responsibility. This includes reimbursement for loss/damage to dormitory linens, keys, and keycards.

...When I return home from the Seminar, I will, to the best of my ability, share what I have learned at the Seminar with my sponsoring organization and others in my community. I will encourage other delegates in my school to consider applying for the next Seminar.

I accept the Expectations and Rules outlined above.

Event Participation *

I agree to attend the entire event and to convey my experience at the Seminar to my sponsor(s) at a meeting or other appropriate venue, including but not limited to in essay form. If I cannot fulfill this agreement, I agree to reimburse my sponsor in full for any registration fees paid.
